Dear Parents/Guardians,

MOTHER TONGUE SUPPORT PROGRAMME

1. Mother Tongue Support Programme (MTSP) is a customised programme that will provide more individualised support for your child in learning MTL. It will be offered at Primary 3 and 4 levels to students who require additional support in learning Mother Tongue Languages.
2. Your child has been identified to participate in MTSP. We have pre-recorded a briefing session for you to learn more about the programme. This video will be made available on our school website from the 19 January 2024. The briefing is in English.
3. Please do not hesitate to approach your child's Mother Tongue Language teacher for further enquiries. You can also email me at lim_cheng_nee@schools.gov.sg should you have any concerns with regards to the learning of the Mother Tongue Language for your child.
