

The G.R.E.A.T Culture @ Frontier

Since January 2022, MOE has continued to resume more elements of school life in line with the national COVID-19 SMMs.

Frontier Primary School has resumed activities including daily school assemblies, in-person CCAs and Parent-Teacher Conference. Participation in the National School Games and Singapore Youth Festival (Arts Presentation) also began in Term 2. Our Frontierers can expect more exciting activities such as in-person assembly programmes and learning journeys for selected levels in Semester 2.

The **Rigour** in our school curriculum provides a holistic education for our students. Our teachers cater to differentiated learning needs via a variety of learning platforms in order to let our Frontierers grow and achieve different peaks of excellence. As we celebrate our Frontierers' achievements with dignity and pride, we continue to develop them into individuals who can **Make A Difference** and **Be The Difference**!

P3 to P6 Sports Day

Competing with Graciousness

Our Primary 3 to Primary 6 Frontierers had a fun-filled and eventful end to Term 1! In addition to competing in Fundamental Sports Skills like Kicking, Underhand Strike, Underhand Throw and Underhand Rolling, our students had fun trying out and learning about Traditional Table Games like Pick-Up Sticks and Country Eraser Tournament.

Through the games, students exhibited the **G.R.E.A.T.** attributes by demonstrating resilience and tenacity during their practice and competition. They also learned about the importance of showing *Graciousness* to their teammates and competitors, regardless of the result.

11th School eLF Investiture

The 11th School eLF Investiture took place on 4 April 2022 with all Primary 5 students gracing the event at the hall as well as a live-stream session for the rest of the levels. It marked the formal induction of 119 School eLFs as well as the handing over of the reins of leadership to a new 7th School eLF Council from the 6th School eLF Council. During the ceremony, our principal, Mrs Tonnine Chua, acknowledged and appraised the graduating level for their years of service to the school as well as their roles as mentors to the juniors.

Chairperson, Jayden Teo, led the 6th School eLF Council in a march-in and passed the leadership baton to the 7th School eLF Chairperson, Richard Loh, thereafter. Together with his 7th School eLF Council members – Pyae Phyo Han, Lim Eng Sheng, May Phyu Thant @ Chloe, Lissa Chua Zhi Min, Muhammad Azeez Dayyan Bin Muhammad Hizan and Phua De Qi Ilyssa, all school eLFs reaffirmed their commitment to serving the school and the student body by taking the School eLF pledge led by the Chairperson of the 7th School eLF Council.

Our 6th and 7th School eLF Council together with school leaders and teachers in-charge

Our School eLFs will continue to make a difference and be the difference in caring, serving and leading for the betterment of the school and for all Frontierers.

International Friendship Day (IFD) Commemoration

Frontier Primary School commemorated International Friendship Day (IFD) on 11 April 2022 with the theme, 'Singapore in Asia'. The country flags of ASEAN countries were displayed in the school and a variety of exciting activities were designed and planned for our Frontierers. They developed a rich understanding of cultures and traditions of our neighbouring countries through engaging activities at various learning stations in the school.

One key programme in our IFD commemoration is the Friendship Beyond Border programme. Our Frontierers from 4 Integrity 4, 4 Integrity 5 and 4 Integrity 6 hosted a group of 126 Primary 4 students and teachers from our twinning school, Santa Laurensia Elementary School, which is located in Indonesia. The rest of the school also enjoyed a virtual cultural performance by the students of Santa Laurensia Elementary School. Our Frontierers learnt more about batik, costumes of different Asian countries, cultural dances and festivals such as the Songkran and the Sky Lantern Festival.

Through this IFD commemoration, our Frontierers gained a greater awareness of Singapore and the cultures and traditions of her neighbouring ASEAN countries.

An affirming partnership between the school leaders

Learning stations of ASEAN culture and traditions

Hari Raya Aidilfitri Celebration

Frontier Primary School celebrated Hari Raya Aidilfitri with an assembly programme put up by the Malay Language teachers from the Malay Unit on Monday, 9 May 2022. All Frontierers had the opportunity to learn more about the customs and practices during Hari Raya preparations and celebration. The spirit was high amidst the song and dance performances by our Frontierers in their traditional costumes. Our Frontierers and staff also shared what they were thankful for in this year's celebration. The finale was a silat performance by the Primary 6 Frontierers.

ATAS Corner

Positive Vibes Postcard Design Competition

In conjunction with the commemoration of International Friendship Day, Frontier Primary School's Art department launched a school-wide Art competition titled, "Positive Vibes Postcard Design". In this meaningful activity during their recess time, fellow Frontierers encouraged, celebrated, and affirmed their international and local friends.

The competition allows students to demonstrate and express their artistic abilities through this meaningful project that is aligned with Frontier's **G.R.E.A.T** Culture. It allowed our budding artists' creativity and passion for Art to soar, while embracing cultural diversity and demonstrating care for their fellow Frontierers.

Exploring English Corner

The Read@Frontier team from the English Language Department updates the Exploring English Corner with interesting resources and plans reading activities for our Frontierers frequently. Our Frontierers can visit the corner and participate in thematic self-directed and termly recess activities. The themes for Term 1 and 2 were Animals and Fairy Tales respectively. The objective is to nurture a vibrant reading culture and encourage them to set aside time to read widely.

Primary 3 Interdisciplinary Project Work (IPW)

The Interdisciplinary Project Work (IPW) was conducted in Term 2 Weeks 5 and 6 for our Primary 3 and 4 Frontierers respectively. They were able to share ideas and information confidently and collaborate effectively in groups. Our Primary 3 Frontierers created posters to raise awareness of water conservation. They had a virtual learning journey where they visited a family in Indonesia to better understand the water situation. From that experience, our Frontierers were able to appreciate the importance of water conservation and develop a sense of gratitude and the empathy for others.

From their IPW experiences, our Frontierers pick up Design Thinking elements as they learn to brainstorm, make careful consideration of their product purpose and create effective prototypes. Our Frontierers also leverage the SLS platform to actively discuss, consolidate and reflect on their learning.

Student Awards

The National Chinese Calligraphy Competition 2022

This competition was jointly organised by Hong Wen School and Hong Wen Alumni Association to promote the appreciation of Chinese culture through calligraphy, and to provide a platform for students to showcase their calligraphy talents. Students had the opportunity to compete, share and learn from one another while celebrating the festive joy of the Lunar New Year. We are proud of two Frontierers, Teo Cheng Wei (6 Loyalty 4) and Lum Zhi Xuan Maxine (2 Care 2), who received awards for their participation.

Student Awards

The 13th “Global Village” Children & Youths Bilingual Speech Competition

This competition was organised by Goodtalk Culture Communication Co. Ltd, sponsored by China Education Association for International Exchange (CEAIE) and Goodtalk Youths & Children Cultural Communication Centre. This competition aimed to provide a chance for students in Singapore and China to study and learn Chinese and English through the cooperation and competition, and they could understand and get to know each other's culture better. We are proud to share the achievements of our Frontierers, Lim Xin Yuu Xavier (3 Responsibility 4) and Sun Bowei (5 Resilience 4) who had advanced to the final round and done very well!

Student Awards

NUS High School Oratorical Challenge 2021

This competition was organised by the NUS High School of Mathematics and Science. It aims to develop participants' versatility in oral communication, hone their skills in research and speech delivery, as well as cultivate interest in scientific research and public speaking. 23 primary schools participated in this competition which adopted a video-submission format due to Safe Management Measures in 2021. Congratulations to Eng Khai Bing Kyan (5 Resilience 4) and Low Yun Xuan (6 Loyalty 4) for clinching the Merit Award!

My Healthy Plate Campaign - Wholegrains

The Wholegrains campaign from the Health Promotion Board aims to increase the awareness and appeal of wholegrains amongst our young so that they will be more receptive to consuming wholegrains in and out of school. Good practices can be introduced and instilled from young. Research shows that eating behaviours are developed through social learning during childhood with the preferences of their parents, siblings, and peers influencing their food preferences into adulthood. Parents' influence plays a big role in encouraging wholegrains consumption. You are strongly urged to start wholegrains consumption at home during this June school holidays.

Affirmation for your child

Affirming words or phrases have the power to motivate a child and shape his or her attitude about themselves as well as their world perspectives. Glean some tips from the infographic below on what your child would want to hear in your conversations with them.

I AM HERE FOR YOU.

Growing up is a long journey. Let your child know that they can turn to you for care and support at every step of the way.

I BELIEVE IN YOU.

Everybody falls at least once in their life. The important thing is to get up and overcome the obstacles. Let your child know you believe in their ability to fight their own battles.

I AM PROUD OF YOU.

We each have our own strengths. Encouraging your child and praising their effort helps to build confidence and gives them strength to meet future challenges.

I LOVE YOU.

Love is the glue that bonds families together. These 3 words will increase your child's sense of self-worth and let them know that they are important in this world.

WHAT YOUR CHILD NEEDS TO HEAR YOU SAY
