

Frontier Express

Welcome 2019!

A warm welcome to our children and families! 2019 has been a great year so far with various activities and events that happened in MK@Frontier. Let's continue to support each other to make 2019 a memorable year for everyone, especially our children!

Our Core Values

At MK @Frontier, we CARE

Confidence • Appreciation • Respect • Endurance

Term I : Confidence

Children learnt about 'Confidence' and were provided with opportunities to practice confidence through daily activities.

Finding out about 'Confidence' through 'Current Issues' time

Practice confidence in speaking through show-and-tell and sharing sessions

Building 'Confidence' at Home

Families can help to build children's confidence by:

- ✓ Giving positive acknowledgements for their actions
- ✓ Encouraging them to express themselves
- ✓ Assigning simple jobs and responsibilities

"At MOE Kindergarten, our vision is to provide a strong start for every child.

Our mission is to nurture children holistically into confident learners with strong social skills, and a good foundation in literacy and numeracy."

Thank you for joining us on this journey!

Quote for thought

"School is a building which has four walls with tomorrow inside."

- Lon Watters

Term 1 Happenings!

Chinese New Year Celebration

Prior to the celebration, children made Chinese New Year decorations such as lanterns and fish crafts. They exchanged greetings with their teachers as they received the oranges and red packets.

Children also tasted various traditional goodies such as Love Letters, Pineapple tarts and Chinese Pomelo.

During Chinese New Year celebration, children put on traditional costumes, sang along to Chinese New Year songs and watched amazing performances by the primary school as well as our K2 children from the morning session classes!

Parent Support Group Briefing

We had our first Parent Support Group Briefing for parents who signed up to be parent volunteers with the school. It was heartwarming to see the positive responses from the parents and we hope to build a strong partnership with our families.

Parent Tea Session

In Term 1, parents are invited to find out more about the curriculum and how we nurture our children holistically. It was an informative session for both our parents and teachers as they got to know more about the children and how parents and teachers can work together to support our children's development.

OutVentures : Sand Play

OutVentures provide opportunities for our children to be engaged in fun outdoor learning adventures. This term, children explored ideas and used their creativity in building sturdy sandcastles through sand play. A lot of teamwork, effort and confidence were seen in our children!

Total Defence Day

In lieu with Total Defence Day 2019, the Singapore Police Force was invited for a Show-and-Tell session and to share about how children can keep themselves safe. Apart from learning about the different types of police officers and their equipment, children also had the opportunity to board the police vehicle - the Petra car!

Molly the Library Bus

Molly visited MK@Frontier for our children to experience reading and borrowing books in a mobile library!

Learning Activity: I Can Bend!

Children explored bending their bodies to form triangle. They also named and labelled the body parts that can bend too. Thereafter, the children went for a triangle hunt around the school environment!

Field Trip to National Gallery Singapore

Our first K1 field trip took place in the month of March. The children went to the National Gallery Singapore and turned into little architects! They observed the many different shapes architects used to design the building and illustrated it down!

Learning Activity: Hide and Seek

Children were introduced to the different prepositional words (in front of, at the bottom, on top and beside). In groups, they went around the class to seek for the toy animals that were hidden. After which, they shared with their friends where they found the animals.

Together as a class, they also listened to the teacher's descriptions, guessed the object and drew it on the activity sheet based on the position given to them.

Field Trip to Jacob Ballas Children's Gardens

After learning about the Healthy Plate and how they can make healthier choices of food, the K2 children visited the Jacob Ballas Children's Garden and went on a tour titled "Sara Goes to the Supermarket". Over there, children were introduced to various fruits and vegetables that can be commonly found in Singapore's supermarket. Now we know how the healthy foods grow!
